Things to Know Before Traveling to South Africa

This is a list of things to know before you embark on your experience here in South Africa. Do note, that this section will auto update in the app as things change for travel here in South Africa. At this current time, regardless of the Covid Vaccine - South Africa requires a Covid 19 PCR test to enter and exit the country. The Real South Africa will take you to get a covid 19 test from an approved country provider before exiting the country for your next destination per protocol.

You will need to read the attached document for more detailed information.

****Adapter plugs for South Africa** - you may want to consider a universal adapter kit to ensure all your electronic devices can be charged during your stay.**

Covid Screen Form to be completed upon arrival

All travelers must complete a covid screening form upon arrival and present a paper copy of a negative PCR test taken within 72 hours of arrival and keep a copy of it on your phone in the form of a PDF. It must be signed by the person who took the test. You should take several copies, in case you have to hand them over at different stages. Those arriving without a test are subject to quarantine at their own expense.

Screening is ongoing at all points of entry.

Transits are also allowed, though again you must present the same negative PCR test.

Your location of your accommodations needed to complete the form attached is listed on your itinerary.
